

Zipper-Wall Arch

Graphical specifications

A. File set-up

The **blue line** is the outline of the document size.

Confection is done on the **orange line**. This is the final net size.

Important text and images should be placed within the **green line** because of the confection. The green and orange line are **7 cm** apart.

B. File supply

- 1: Please remove all sizes and lines (orange, green and blue).
- 2: Supply on real size in PDF via E-mail / YouSendit / WeTransfer.
